

ET Summer Camp 2017 is going to blow up Social Media..

Hello Campers!

Let's really make a splash on Social media while at Camp this year. Post your photos and videos to Facebook, Twitter and Instagram as we roll through camp real-time. We'll also collect all the content and do our normal album on the ET website and FB after camp.

Feel free to create your own fun #hashtags as we go. Make sure to also include a few standard ET hashtags so the content is consolidated. Here are the popular ET hashtags..

#ETsummercamp
#ETway
#exptri
#etsn80
#experientetri

Our twitter handle is @experientetri and our Instagram handle is @exptri

Can't wait to be back in Badgerland with good friends! It's going to be Sunny and 80!!
